

Habitual Constipation

May be permanently overcome by proper personal efforts with the assistance of the one truly beneficial laxative remedy, Syrup of Figs and Elixir of Senna, which enables one to form regular habits daily so that assistance to nature may be gradually dispensed with when no longer needed as the best of remedies, when required, are to assist nature and not to supplant the natural functions, which must depend entirely upon proper nourishment, proper efforts, and right living generally. To get its beneficial effects, always buy the genuine

Rev. S. G. Baker - - Editor

You should remember that the stores close at 6 o'clock every day except Saturday when they close at 10 o'clock, and do your shopping in time to save yourself and the merchant from trouble and inconvenience.

Mrs. Sarah Eleby and her daughter, Miss Edna, were in the city from Orange City last Saturday. They subscribed for THE NEWS while here. Let others do the same.

The Rev. R. M. Carter, after spending the winter in our city, left last week for points north. He writes from Pittsburg, Pa., that his trip to that point had been very pleasant and he was en route for Liverpool, Ohio.

Mr. Arthur West has purchased a horse and buggy, and will soon be in the livery business.

At a business meeting of the officials of the Union Baptist Church last week, the Rev. Wm. Morgan was called to the pastorate of that church. The Rev. Morgan comes highly recommended, and it is predicted that his administration will be a complete success. His work at Orange Park and elsewhere proves him to be a pastor equal to the situation and to the duty and trust reposed in him.

Mr. A. J. Jefferson made a business trip to Sanford last Saturday, returning Sunday morning.

It is quite gratifying to the members and friends of Bethel church to see the work on their new stone building start again. If plans materialize, the work will be pushed on to completion before it ceases again.

The Modern Protective Association, of Sayre, Pa., paid the following sick claims this week: Mrs. E. B. Foster, \$15.00, and Mr. Arthur Moore, \$15.00. This company is represented by S. G. Baker and pays its claims promptly.

Mrs. Louise Smith left last Saturday night for Quincy, where she was called to the bedside of her mother, who was very ill at that time.

Miss Gertrude Richardson, one of our best young ladies, left last week for Jacksonville, to spend a while with relatives and friends.

Out of all the smart farmers of our community Mrs. Ella Anderson is said to have been the first to place fresh green corn on the market for this season. Mrs. Anderson is a stirring widow woman, and justly deserves the respect and esteem of those among whom she moves.

The Odd Fellows at DeLeon Springs will hold their anniversary services next Sunday, and many of our townsmen will attend them. The sermon will be delivered by Rev. S. G. Baker, pastor of Bethel church of this city.

There will be given at Beresford next Monday a Sunday School picnic. The committee is arranging to have everything carried on in a manner that is becoming to good citizenship.

While in bathing in Sherwood pond last Saturday Mr. Wesley Sterrick was drowned. After fishing for his body for several hours it was found by his brother and friends and shipped to Monticello for interment.

The colored voters of this precinct held a mass meeting on Monday night preparatory to the city election, which came off on Tuesday. Good speeches were made, and all pledged themselves to stand by the men nominated in their caucus a short while ago. That the men stood by their pledges was plainly shown in the election of two of the candidates nominated in

their caucus. This victory has encouraged the colored voters of this precinct to pull more strongly together another year. In Messrs. Davis and Bishop it is believed that they have friends who will look out for the interest of the entire citizenship alike.

Mrs. Janie Nelson continues very much indisposed, to the regret of her many friends.

Elijah Williams and J. W. Nelson were initiated into the mysteries of Pythianism last week.

Mr. A. M. Patterson, of Lake Helen, was in the city this week on business.

The Odd Fellows of this city will hold their anniversary services on May 16, and Dr. C. S. Long will preach the anniversary sermon for them. He is one of the best orators in the State, and his presence is a token of pleasure and delight.

Mrs. E. B. Baker is on the sick list this week, and her many friends hope to see her at her post of duty soon.

FIGHT THE FLY.

The fight against the fly is one that is being and can be carried on by every paper without regard to politics, religion or previous prejudice. We gradually learn of the menaces to human health, and then more gradually learn how to meet and conquer them. The fly is a nuisance, beyond any other of the troublesome insects, and a menace almost if not the equal of the famous yellow fever mosquito. When one considers the history of the fly, how he travels from the most obnoxious and repulsive filth deposit to the most necessary and delicate of our foods, leaving his trail of slime, decay and disease over everything he touches, we may readily realize why we should join in the work of exterminating him, and remove him as a perpetual curse to the human race. The state board of health is making a good fight against the pestiferous insect, and the State papers are rapidly falling into line. Clean up, screen up and kill every fly, should be one rule of action. *Miami News-Record.*

A SMILE

is a pretty hard thing to accomplish when you're blue, bilious and out of sorts. There is a sure cure for all kinds of stomach and liver complaints—constipation and dyspepsia. Ballard's Herbine is mild, yet absolutely effective in all cases.

Price 50 cents per bottle. Sold by all druggists.

Migrant Mathew—"Can you help a poor man? I haven't had a bite for three days." Preoccupied Angler (without looking up)—"Hard luck! Here, take a couple of trout!" *Puck.*

A LIVING SKELETON

is the final condition of any child that has worms—if it lives. Think of having something in your stomach that eats all you take as nourishment. Nine tenths of the babies have worms, may be yours has. Be certain that it has not by giving it White's Cream Vermifuge—it expels all worms and is a tonic for the baby. Price 25 cents. Sold by all druggists.

With money derived from the sale of souvenir hatchets which she sold in her campaign against the soloon, Carrie Nation has purchased an extensive tract of land in Boone county, Ark., on which she expects to spend the remainder of her days. Poultry, pigs, pigeons, peas, and apples will be raised in quantity by Mrs. Nation, according to the announcement of her agent.
